Local news

Message from Inspector Wedgwood,

Hello everyone,
Summer is definitely here with blinding sun and baking hot temperatures followed by a days worth of grey cloud and torrential rain. The kids are also now off school which always increases our demand although we are managing well at the moment.
Reports of ASB since the start of the year are reduced by 80 reports compared to the same period last year and crime is also down by over 400 reports.
We have done a lot of work on drugs activity in the District and I am pleased to report that we know that we have made some really good progress.
What will have an impact upon us in the immediate future is the policing of some anticipated protests around the Drax area.
Thank You all for your support to date.
Kind Regards
Inspector Martin Wedgwood.

Local crime/antisocial behaviour updates

In the month of July there have been 5 crimes reported to us from your Ward, which is still one of the lowest crime wards in the district.

The month for June the crimes reported for Appleton Roebuck and Church Fenton Ward have been 5 Crimes which include 1 Arson and Criminal Damage, 3 Public Order Offenses, 1 Violence against person . For the May month there has been 0 report of anti social behavior from youths under 18years.

Upcoming events

I hope to make it to as many Parish Council meetings in person as Police demand and shift patterns allow me to attend, however these newsletters will be now sent to you on a monthly basis to let you know what has been ongoing in your ward area. Also if you have any events in your villages that you would like Police to attend please let me know and i will try and resource this for myself to attend.

I have a couple of upcoming Police surgeries booked in for different villages, i will advertise this in the area's to make residents aware. If this is in your area i will email you direct and please feel free to come and join in. I will aim to set up a Police Surgery in all the villages i cover, however please bare with me as 20 different villages come under the area i cover.
